The DoW CSA is excited to announce that, as of December 19, 2025, the application portals for **new and returning** DoW CSA scholarship program applicants are open for the Fall 2026 / Spring 2027 academic term.

Current students pursuing a degree in a cyber-related discipline, and current DoW CSA scholars returning for the upcoming academic term, are encouraged to apply.

Current DoW employees, both civilian and military, are ineligible to apply for the recruitment scholarship track. Opportunities for the retention scholarship track will be announced in calendar year 2026.

Applications differ for new and returning applicants, so individuals should ensure they are completing the correct form when submitting their information. Refer to the links below for the correct application link.
